

JUNE, 1968.

THIS IS A PRIVATE PUBLICATION - NOT TO BE REPRODUCED WITHOUT PERMISSION

+++++

+CIRCULATION+ This edition is being distributed to all Residents because
 ++++++ there are items of interest to everyone - and as a
 reminder to non-members that this is a live Association
 which is trying to do a great deal of work for everyone here now and to come.

+++++

+++++

+GENERAL+ The General Meeting held on the 7th June enjoyed the spaciousness
 +MEETING+ and comfort of Cambridge Consultants Canteen, where there was
 ++++++ ample room for the excellent turnout of fifty residents. The
 Committee was reinforced by the election of Messrs. Duce and
 Fear from Gladeside, and Mrs. Shrimpton and Mr. Prosser from Robin Close.
 Several amendments of the Rules will appear on the AGM Agenda, including
 voting at meetings. Mrs. Leakey, our County Councillor was with us again
 as was Hugo de Waal. Nominations of Association members of the Village
 Trust were deferred to a Special Meeting to be called when firm information
 about the Trust is available, and approval was given to a Fete on 2nd
 September to raise funds for a swimming pool and games centre, and to other
 fund raising activities.

The Committee reported on a great deal of varied activity since the
 January meeting, and the General Meeting recorded their appreciation for the
 hard work of the Committee and officers.

+++++

+++++

+FOR ALL + We are asked to remind all residents - whose properties
 +FRONTAGERS+ extend to the roadside kerbs - that grass cutting and
 ++++++ maintenance is the responsibility of the "frontager".
 This work has been done in parts of the "Exhibition area"
 by the Developers, but amenity grass areas are now so extensive that this
 service has to be withdrawn: so please help to keep the Village tidy and
 clean by grass cutting, weeding and tidying up generally.

A keen gardener at the General Meeting drew attention to the plight of
 newly planted shrubs and trees in dry weather and pleaded for residents to
 "give them a bucket of water" to help them to get firmly established - and
 he is right! and it is a very small service to keep a tree alive.

+++++

+++++

+FOUND+ A teddy bear was picked up in the Acorn Avenue/Almond Grove
 ++++++ group garden, he was brought in out of the rain to wait for
 his little owner to claim him. Mrs. Burry is looking after
 him until then, so please ask her for him.

++++++
+GARDEN+ The fund raising fete is ON for 2nd September 1968 - the Summer
++FETE++ Bank Holiday: it will be a combined Bazaar, Fete and Village
++++++ Fair with as much of interest to everybody as can be begged or
borrowed. We have no money to pay for glittering attractions
and what we cannot get for little or nothing from outside the Village must
be provided by ourselves: you will be asked to help - with a stall, with
refreshments, running a competition, or doing one of a hundred and one
jobs on the day - when you are asked, please don't hesitate and do muck
in to make the event a success

++++++

++++++
+CHURCH+ The Special Communion Service in the Shopping Centre on 2nd
++++++ June was most successful and extremely well organised in unusual
surroundings by a volunteer team of furniture and what have you
movers: to the ladies, congratulations on flowers and napery and to Cambridge
Consultants, Cubitt's Southern, Bar Hill Developments, Dry Drayton and Holy
Trinity congregations and Millers (Music) thank you for great help with
equipment, accommodation and facilities.

This Village is a focal point of interest and centre for a challenging
venture in co-operation and fusion of the Churches - we are all so much
part of an experiment in so many ways, not least in our worship, and when
you get a circular about a Christian meeting do try to attend, whatever your
denomination because the theme is unity, and it is not a good thing to leave
its achievement to the thoughts of a few when it is of such great importance
to us all.

++++++

++++++
+CHRISTIAN+ Thank you to all who contributed to the
++AID WEEK+ over £7 collected in the Village.
++++++

++++++

++++++
+SEASIDE + Terry Barnes' 'bus trip to the seaside on 23rd June will leave
+EXCURSION+ at about 8.30 a.m. on the morning. Much hard work has been
++++++ rewarded with a filled 52 seater coach, and we should all
enjoy a day by the sea. A lot of interest is being shown in
other excursions and it is hoped that there will be similar support for,
for example, a show and meal evening outing, a day at the Zoo or Whipsnade
or London Airport, or back to the same or another seaside. If YOU think
there is a demand for anything special, let us know.

++++++

++++++
+YOU WANT+ Advertisements or announcements are for free, as long as they
+WE GOT + are breif and to the point, and you don't expect publication
+SPACES + on or before a specific day!
++++++

++++++

+++++++
+NATIONAL+ Never to late to join and you can save as much or as
+SAVINGS++ little (down to 2/-d.) as you like - regularly or
+++++++ spasmodically - see Mrs. Elmitt, 9, Robin Close.

Congratulations Mrs. Elmitt on collecting the
magnificent total of £173. 14. Od. from February to the end of May!

+++++++

+++++++
+CAMERA+ Several meetings have been held at the home of Mr. Lancaster,
++CLUB++ 13, Gladeside, an expert on photography, and all interested in
+++++++ this fascinating and rewarding pastime should get in touch with
him for news of future sessions.

+++++++

+++++++
+FRENCH+ + French taught to GCE "O" level - phone Madingley 580 after
+LANGUAGE+ 6.00 p.m., or apply 59, Acorn Avenue, and day (except Friday)
+++++++ after 3.00 p.m.

+++++++

+++++++
+DRAMA+ Join Mrs. Sheila Willows, 24 Almond Grove: several entertaining
+CLUB++ plays have been read and if enough interest is shown, something
+++++++ more ambitious than play reading could be attempted - look in
the Sales Office window for date of next meeting.

+++++++

+++++++
+FOR ALL PARENTS+ A General Meeting was held on the 23rd May to consider
+NOW AND TO BE ++ forming a Pre-school Playgroup in Bar Hill. Mrs. Olive
+++++++ Collins, Area Organiser of the Pre-school Playgroups
Association gave a very instructive talk on just what
was involved and the dangers to be avoided.

Everyone present was very enthusiastic and a Committee of six was
elected with the unenviable task of thinking up bright ideas for fund
raising etc. A coffee morning with a Bring and Buy stall held at Janet
Hook's got us off to a flying start and with renewed energy events are
being planned. £5. 5. Od. was made at the coffee morning!

Newcomers interested in joining the Playgroup, please contact Mrs.
Lakin, 22, Almond Grove. (Tel: Madingley 313).

+++++++

+++++++
+PARISH + REMEMBER by kind permission of Cambridge Consultants in their
+MEETING+ Canteen on TUESDAY, 18th JUNE, at 8.00 p.m.
+++++++ Among items for discussion - allotments and appointment of

+++++++
+BAR HILL+ Yes! it really is getting on fast, and Dullingham's loss of
++SCHOOL++ their Head Teacher, Mr. W.H.S. Norton, will be our gain.
+++++++ Mr. Norton will take up his duties on 1st September - he is a
young man of considerable energy and very varied interests both
in education of infants and juniors and in community activities, and the
opening of the School will mark another historic event in the creation of
the Village.

+++++++

+++++++
+WHAT'S+++ Shopping Centre fitting is getting on, especially in the
+GOING ON+ Supermarket, and much intriguing marking and digging in the
+++++++ car park suggests we shall soon see another final product.

Phase 2 is growing too, and the first hillside residents are now no
more than weeks from moving day.

Notice Board should very soon appear beside the pillar box as the logical
place for most people to see it - and read whatever is on it - fairly regularly.

Temporary Church accommodation will soon be available in Almond Grove -
well placed for everybody, somewhere near the middle of Phase 1, instead of a
long way away to the west! but for the time being we shall continue to meet
in the Contractors building.

The children's 'bus shelter WILL soon be UP - albeit late it will still be
useful for the remainder of term, and of course, there will be growing numbers
of 11 +'s waiting for the Swavesey 'bus every morning.

+++++++

+++++++
+CAMBRIDGE+++ Cambridge Consultants will be holding Open House at its new
+CONSULTANTS+ laboratories at Bar Hill from Friday, 28th June, to Tuesday,
+++++++ 2nd July.

The press will be there for a private opening ceremony on 28th June,
the world at large including Bar Hill folk will be welcome on Saturday and
Sunday, Monday and Tuesday will be for more deliberate visitors.

There will be refreshments, exhibits to work with a film of their
activities. They do hope you will come - and tell your friends.

+++++++

+++++++
+STOP PRESS+ Since printing a very few seats have become available for
+++++++ trip to seaside - want to come? - see Terry Barnes, 24,
Gladeside, NOW!
